

Women in IT & HPC - Leadership Journeys

September 19, 2023 @ 1pm

Join
us for our
next community
event featuring Neena Imam
as she shares her personal view
of challenges and successes experienced
throughout her leadership journey.

Don't miss this fantastic opportunity to learn
about career strategies, and contribute to our
discussion of how the playing field may be
leveled to offer equitable IT & HPC leadership
opportunities for women and minorities.

Attendees are invited to share their own
experiences and engage with
the speaker during this
interactive Q&A
session.
