# VIRGINIA WOMEN IN HPC

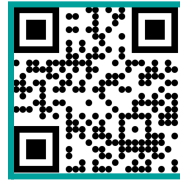

# JOIN OUR COMMITTEE

AND HELP TO

# SHAPE THE WOMEN IN HPC COMMUNITY IN VIRGINIA!

Are you a higher-ed student in Virginia engaged in High Performance Computing?

Are you an educational or professional staff member at a Virginia university or research institution engaged in HPC?

Are you passionate about bridging the gender gap in HPC and promoting diversity and inclusion in the industry?

Do you wish to contribute to the planning of VA-WHPC community events?

**If your answer is YES to any of the above questions, the VA-WHPC Committee Invites you to join!** Our mixed-gender committee has had representatives from the institutions listed on the right. We invite new representatives from these and other Virginia institutions.

**JOIN US!**

**Our Mission:** VA-WHPC offers a welcoming space for women and allies in the HPC field to connect and support each other. Through networking events and educational opportunities, VA-WHPC aims to bridge the gender gap in HPC and promote diversity and inclusion in the industry. By joining VA-WHPC, individuals can access valuable resources and build meaningful connections that enhance their professional growth and success in HPC.
